TEACHING FELLOWS

HWS Center for Teaching & Learning

Economics Teaching Fellows are here to help you!

What do Teaching Fellows do?

- Provide direct support for **all** courses offered
- Discuss and further clarify concepts and ideas that arise in the classroom
 - Guide peers through homework assignments and problem sets
 - Advise on study techniques and problem solving methods
 - Enhance the interaction between students and faculty
 - Help students to articulate ideas and pose questions
 - Create and assist an active learning environment

Bring your course work and questions and don't hesitate to ask for advice!
