⇒ Please see other side

PLEASE NOTE:

It is your responsibility to present your proposed coursework for your study abroad program to your Dean for tentative approval of transfer credit. You must also secure the approval of the relevant departments or programs for any transfer work you would want to count toward a major or minor **in advance of your**

participation. Credit for a maximum of four courses may be transferred for one semester's work, and you may earn no more than eight credits for a year.

In addition, you should apply for a "leave of absence" through your Dean's office to hold your place at HWS for your return. You should meet with your Dean regarding these matters within two weeks of receiving this letter to allow time for all appropriate follow-ups, approvals or modifications in your plans.

If you receive public grants or loans, ask the non-HWS program provider for a "Consortium Agreement" document and take it to the HWS Financial Aid Office for processing. This will enable you to apply those sources of financial aid to your non-HWS program. Grants and other financial aid originating at HWS are not applicable to a non-HWS program.

Your name will be included in the list of students that will be off campus that we send to the registrar, the housing office, etc. If you withdraw from this program, you need to let us know this or you will have no campus housing, etc. for the semester in question.

A student participating in a non-HWS off-campus program who withdraws from that program after arrival at the program site may not return to campus to take classes that semester except under extraordinary circumstances, as determined by the student's dean's office, the Center for Global Education and the Vice President for Student Affairs.

I have read and understand the above instructions for non-HWS study abroad.
