CALL FOR GLOBAL LEADERSHIP FELLOWSHIP PROPOSALS

The Centennial Center for Leadership (CCL) is offering a Global Leadership Fellowship in the amount of $3,000 for HWS Leadership Certificate students. Practical experience is a core component of developing as a leader; thus, we invite proposals from current HWS leadership certificate students. Such projects will provide students with an opportunity to practice “leadership in action” within a global context. The Global Leadership Fellowship is available to support student-leaders in their international project endeavors.

Projects:
The CCL will consider proposals that provide an opportunity for students to practice leadership and develop their leadership abilities abroad. For the purpose of project proposals, leadership is simply defined as creating a vision (preferably shared with other project constituents) and motivating others toward achieving that vision. Given the level of funding projects must be substantial in nature.

Eligibility:
Current HWS students who have been accepted into the HWS Leads certificate program.

Application Process:**
Please submit the following materials in hard copy to Solomé Rose located in the Centennial Center for Leadership Building: 603 South Main Street, Room 204. Applications will also be accepted via email (srose@hws.edu). Complete applications will include the following:

- Application form
- Proposal (as detailed below),
- Letter of recommendation from a faculty or staff member
- Names and contact information for three professional references (e.g., HWS faculty or staff, current or past supervisors)
- Resume
- Dean’s Approval Form

Proposal:
A two to three page description of the project, including: project goals, assessment methods, budget, timeline, and any other relevant information. Proposals should address the following questions:

- What are the goals and objectives of the project?
- What is the plan for implementing the project?
- In what ways will the project provide an opportunity to practice leadership?
- Who will the project involve and ultimately how will it effect change?
How will you assess the impact of your project?
What will be the specific costs (broken down) of the project?
What are the specific aspects of the timeline for the project?
In what ways do you feel prepared to lead the project?
In what areas may you need guidance or support with the project?

Proposal Selection:
Proposals will be reviewed and selected by members of the CCL staff and Advisory Committee. One Global Leadership Fellowship will be awarded for this academic year.

Funding:
Up to $3,000 will be awarded to the student-leader of the selected proposal. Funds can be used for project materials, project costs, travel, living expenses, or other associated costs.

CCL Expectations:
The selected student-leader will be expected to:
- Complete a reflective journal on the project progress and the leadership experiences.
- Present her or his work at the Senior Symposium or other HWS public forum (if student-leader is a senior and graduates prior to project completion, must return to HWS to present work in some way)
- Provide a synopsis of the project for use in HWS and CCL communication materials

Deadline:
Proposals for the Global Leadership Fellowship are due by 12:00 pm on Wednesday, March 5th. All application materials must be submitted in hard copy or email to Solomé Rose (srose@hws.edu) at the Centennial Center for Leadership.
