

HWS Information Technology Services Bulletin

Number: 2009-17

Date: May 4, 2009

Title: Blackboard Grade Center

Description:

As the end of the semester nears, IT Services would like to remind faculty that the Instructional & Research Technology Team is available for consultation with the Blackboard Grade Center feature. Recognizing that this feature changed quite a bit this year and people are utilizing it in very different ways, we have received feedback that some aspects of Grade Center can be a bit confusing.

Faculty who are calculating weighted grades are especially encouraged to contact IT Services.

If you have concerns or want to set up an appointment, please contact the Help Desk by phone at 315-781-4357, or by email at helpdesk@hws.edu.
