

HWS Information Technology Services Bulletin

Number: 2011-13

Date: April 15, 2011

Title: Smart classroom technology requests for final exams

Description:

Are you planning on using Smart Classroom technology for your exams? If so, please send a request to the Help Desk (helpdesk@hws.edu) with the date, time, and location along with what technology you plan to use (i.e. computer, projector, DVD, VHS tape, etc.) no later than Tuesday May 3rd, 2011. This will enable our Classroom and Event Support team to focus resources on your classroom to ensure a trouble-free exam.
