## The MicroFridge - Because hunger never takes a holiday

The MicroFridge is a great solution to many problems faced by students living at college. When the Dining Hall is closed, the store is too far away, and your stomach is growling, the MicroFridge can offer a variety of hot and cold hunger solutions.

The MicroFridge is the only microwave allowed on most campuses. Its SafeCircuit™ keeps circuits from overloading by suspending the refrigerator's operation while the microwave is running. The entire unit uses a single plug, keeping electrical outlets free for other uses.

**As a college student, there is no question there will be late night study sessions and missed meals.**

The MicroFridge ensures a way to prepare a quick meal or energy-boosting snack to keep you working through the night. You won't have to go to bed hungry or spend time trying to find something to eat or drink. It will be right there waiting for you, so you can go back to more important things.

## The MicroFridge also allows you to save money.

Instead of paying for low-nutrition fast food meals or expensive take-out, you can stock your fridge with the food you normally buy at the grocery store. Cold beverages, frozen foods, home cooked meals, and microwavable products can be yours at any time. Eat what you like, when you like and your money won't evaporate at the drive-thru.

Other Features: Ample door storage capacity \* Zero degree freezer \* Ice cube tray \* Adjustable temperature control \* Multiple interior shelves \* Powerful turntable microwave with multiple cook settings \* UL Listed

# REFRIGERATOR RENTAL AGREEMENT

1. The Company hereby leases to the Lessee a unit at the location specified on the invoice.
2. The rent for the unit leased shall be payable in full upon delivery, or prior to delivery.
3. Lessee shall not alter or damage this unit. Lessee will return the unit cleaned and defrosted. Lessee will forfeit security deposit if unit is returned unclean, missing accessories, damaged, or not returned on time.
4. The Lessee shall not remove the unit from location specified on this invoice without notifying the Company in writing. If Lessee moves the unit to a location other than the address specified without notifying the Company, Lessee will forfeit security deposit.
5. The Lessee shall not sublet the unit without notifying the Company in writing. Lessee agrees to forfeit security deposit if unit is sublet or transferred without notifying the Company.
6. The Company will repair or replace the unit if it does not provide normal service during the term of this agreement. There will be no charge to the Lessee unless malfunction or damage was due to the negligence of the Lessee.
7. If the unit is lost, stolen, or damaged while leased under this contract, the Lessee will be responsible for its replacement cost. Do not defrost unit with sharp or metal objects; doing so will destroy the unit. Let unit defrost by unplugging or use a hair dryer.
8. There will be no refunds given for cancellation of rental at any time for any reason. In the event Lessee withdraws from school, unit must be sublet and the Company notified of new Lessee. If the unit cannot be sublet, Lessee must call the Company within two weeks before leaving and make arrangements for the return of the unit.
9. Prior to May 1st, the Company will notify the Lessee of the proper time and date on which to return the unit. This date will be no earlier than two weeks prior to the start of the semester's final exams week. The Lessee must return the unit at the specified time and date or contact the Company at least 10 days in advance to make other arrangements. Failure to return the unit on the correct time and date without proper notification to the Company will result in the loss of the security deposit. If the Lessee fails to determine the correct return date and does not return the unit on time, the security deposit will be forfeited, and the Lessee will be charged for the unit. Return date will also be posted on our website at [www.rentalcompanyone.com](http://www.rentalcompanyone.com) no later than two weeks prior to pick up dates.
10. It is understood and agreed that the unit at all times remains the Company's, and it is pointed out that the sale of leased property or a failure to return leased property to the Company may constitute a crime and subject the Lessee to prosecution.
11. Lessee agrees to pay attorney's fees, collection charges and any other expenses incurred by the Company in collecting any charges under this Agreement or in re-taking the said rental property or in otherwise enforcing the terms of this agreement.
12. Lessee shall indemnify the Company against all loss or damage arising from the use of the unit during the term of this lease.
13. Lessee will pay the Company \$100 for any "Cube", \$150 for any "Counter High", \$300 for any "Fridge/Freezer", and \$500 for any "MicroFridge" unit not returned on the scheduled return date. Not all models available at all schools.
14. Liability for injury, disability and death caused by the operation of this refrigerator during the rental term shall be assumed by the Lessee, and the Lessee shall indemnify the Company against all such liability.
15. Any breach of this contract will result in the loss of the security deposit. Security deposit will otherwise be returned upon the surrender of the equipment to the Company at the end of the term of the lease.
16. Theft and Damage Waiver: This optional charge protects the Lessee if the unit is stolen from the residence hall room. The theft of the unit must be reported to the campus police or public safety officials. After a thorough investigation by the proper authorities and our Company, the student will not be charged for the unit if it was stolen from a properly locked residence hall room. This waiver applies only to the theft of a unit that is reported to the Company prior to April 20th of the rental term. Student will not be charged for accidental damage to the unit including damage or loss to microwave glass, shelves, exterior, if the waiver is selected and paid for. This waiver only applies to accidental damage and does not cover malicious vandalism or purposeful attempts to damage the unit. In the event that the unit is damaged, the waiver will limit the Lessee's loss to the money paid for the waiver and the security deposit. Student will not receive a new unit if the unit is damaged, unless a new contract is filled out and theft and damage waiver payment is made for another unit. This charge is not an insurance policy or insurance of any kind.
