Android Instructions for those with HWS Credentials

To connect with an Android device:

1. Enter the **Settings** application on your device and go to the **Wi-Fi** section

2. Tap the **Wi-fi Settings** option
3. Tap **HWS-Private**

4. When prompted, in the Identity field, enter your **HWS username**

5. Leave Anonymous Identity blank

6. In the password field, enter your **HWS password**

7. To connect to the network, press **OK**

Your device is now configured.

If you require assistance with any of these steps, please contact the Help Desk at (315) 781-4357.
