As a student at HWS, Morgan Hopkins served as Captain of Hip~NotiQs and co-leader of Women’s Collective. After graduating from William Smith in 2010 with a degree in Psychology and Women's Studies, she earned a Masters in Psychology with concentrations in Women's Studies and Social Issues from the University of Houston-Clear Lake. While in Texas, she became deeply involved with grassroots activism (specifically regarding reproductive justice legislation) serving as the Houston organizer for NARAL Pro-Choice Texas and as the co-organizer for SlutWalk Houston. Returning to HWS as staff in the Centennial Center for Leadership, Morgan hopes to use her experiences as a campus leader and community organizer to guide students during their own leadership development journeys.
