Assisted the Architecture Department with their gallery show

1. Cleaned store and gave access to HWS students
2. Project Managed: communication between the Architecture Department, Arts Collective, BIDS, and other community members
3. Facilitated with providing electricity to the building and funding for the transformation of the first floor of the building.
4. Also, helped attain access to 112 Seneca Street for the Art Gallery

87 Castle Street:
Assisted the Architecture Department with their gallery show
1. Cleaned store and gave access to HWS students
2. Project Managed: communication between the Architecture Department, Arts Collective, BIDS, and other community members
3. Facilitated with providing electricity to the building and funding for the transformation of the first floor of the building.
4. Also, helped attain access to 112 Seneca Street for the Art Gallery
