Classes of 1965

Special celebrations are planned for your 50th Reunion.

50th Reunion

June 4-7
2015

HOBART AND WILLIAM SMITH COLLEGES
For up-to-date schedule information and to register online, be sure to visit the Reunion website at www.hws.edu/reunion. There you’ll also find lists of classmates planning to attend. Bookmark the site and check back often.
REUNION HEADQUARTERS – Reunion Headquarters will be at the Scandling Campus Center and will be open from 1-9 p.m. on Thursday; 8 a.m. until midnight on Friday; from 7:30 a.m. until 9 p.m. on Saturday; and from 8 a.m. until noon on Sunday. When you arrive on campus, go directly to the Scandling Campus Center to check in and pick up updated schedules, event tickets and housing information. Reunion Headquarters is where you will find all the information you need for the weekend, including updated “arrival screens” of those who have registered, message boards and more.

WHERE TO STAY – We have room for everyone right here on campus in Comstock Hall. What better way to slip back in time than to spend a couple of nights in a residence hall with your family and friends?

Staying in the dorms is convenient and economical, but it is not luxurious! Dorm rooms are equipped with the basics – twin beds, bureaus, sheets, a blanket, small towels and soap. You may want to pack an alarm clock, additional towels, an extra blanket, a fan and anything else you may need to be more comfortable. June weather in Geneva can be hot, sunny, cold and/or rainy! Comstock will have air conditioning units, but if you are sensitive to heat or have other health-related needs, we encourage you to consider staying at a local hotel, a bed and breakfast, or renting a house. A list of accommodations can be found on the Reunion website (www.hws.edu/reunion).

SPECIAL NEEDS – Most campus buildings are handicapped accessible. If you or a member of your family has special health or dietary needs, please indicate this when you complete your registration form so that we may determine how to make your visit most enjoyable.

Testimonials

“Reunion Weekend is nowhere near any of the great weekends we had as students. It’s better! I looked forward to seeing my old friends and left having enjoyed the time I spent with new ones....and, the Colleges treat you like royalty. Don’t miss out.” —Alan Kalter ’64

“It was a wonderful weekend. Everything was planned well and we found our way around quite well considering it was our first reunion. —Roberta Russell McKay ’64

“Our 50th Reunion for the class of 1964 will never be forgotten. Classmates showed up that we had not seen in decades. Our memorial service was extremely moving. Old friendships were renewed and in many cases new friendships were created. I would not have missed it for the world. Wishing the HWS class of 1965 the same joy we feel.” —Mary-Jo Bryan Wolsky ’64
WHAT TO WEAR – Think casual and think college! Dig out those Hobart or William Smith beanies, sweatshirts, T-shirts, caps, etc. In general, Reunion is a casual weekend though the Saturday dinner will be more festive. Remember that the weather in June can range from 50 to 95 degrees – pack and dress accordingly. Even if the forecast is for balmy weather, we suggest packing a jacket or sweatshirt as evenings on the Quad can get chilly.

TRANSPORTATION and PARKING – The Syracuse, Rochester and Ithaca airports are each about an hour drive from campus. Car service to and from the Syracuse and Rochester airports is available for a fee from Finger Lakes Limousine at (315) 789-7272. Please contact them directly to arrange your transportation to campus. Shuttle buses and golf carts will be circulating on campus throughout the weekend to transport you to events and residence halls. If you feel that you need a car for your time here, please reserve one at the airport. While on campus, you may park in any campus parking lot. Handicapped parking is available at all campus locations.

REGISTRATION FEE – The Reunion Registration Fee helps to offset the cost of a number of things throughout the weekend – entertainment, fireworks, receptions, refreshments (excluding alcohol), as well as many other extras. You’ll note on the Registration Form that there are “special deals” for the 50th Classes. Most activities listed on the schedule of events are included at no additional cost, unless otherwise noted. If there is an additional fee, in most cases it covers admission to an event and / or transportation.
Enjoy the Finger Lakes!

REDISCOVER GENEVA AND THE FINGER LAKES – Consider extending your visit to take in the beauty of the Finger Lakes Region. Abundant information on recreational venues, including restaurants, golf courses, fishing charters and wineries, is available from the Geneva Area Chamber of Commerce, (315) 789-1776, or through its website at www.genevany.com

“Everyone is glad to see you – gray hair and all – age and looks just aren’t important.” —Class of 1964 Hobart Graduate

All members of the Classes of 1965 are invited to celebrate the 25th Anniversary of The Wheeler Society

Join President Mark D. Gearan for a cocktail reception to celebrate 25 years of The Wheeler Society.

Saturday, June 6, 2015 at 5:30 p.m.

Immediately following, the Classes of 1965 will gather in the Vandervort Room, in the Scandling Campus Center, for the Remembrance Service and 50th Reunion Dinner.

Schuyler Skaats Wheeler Sc.D. 1988 – inventor, intellectual and entrepreneur – and his wife Amy Sutton Wheeler established a bequest that was realized nearly 100 years later and used in the 1990s to renovate Gulick Hall. This gift, and the people who made it possible, serve as the inspiration for the Colleges’ planned giving society, The Wheeler Society.

For 25 years, the Colleges have received planned gifts from more than 1,000 alumni, alumnae, parents and friends who created their own legacy and have provided for the Colleges’ future. On Saturday, June 6 we will celebrate the impact these thoughtful people make on Hobart and William Smith.

For more information about the celebration or how you can make a difference through The Wheeler Society, please contact Leila Rice, associate vice president of advancement, at rice@hws.edu or (315) 781-3545.

A message from your Reunion committee ...

Break the Record

Classes of 1965 Reunion Giving

Don’t forget to make your gift in honor of our 50th Reunion so that we can break the all-time record for 50th Reunion giving participation!

Please include your class gift on your registration form or call Wendy Barnhart at (315) 781-3700.
SCHEDULE HIGHLIGHTS
The following is a partial schedule for Reunion 2015. Details are subject to change. Check the website for the most up-to-date schedule. The final schedule of activities with times and locations, including any class specific events, will be available upon arrival at Reunion Headquarters.

The William Scandling Research Vessel, Excursion on Seneca Lake* Excursion I
Three Friday excursions planned.
Professor of Geoscience John Halfman will lead a working session aboard The William Scandling (formerly The HWS Explorer) assessing the environmental well-being of Seneca Lake. Prepare to collect sediment dredges, look for zebra and quagga mussels, and discuss their ecological impact on aquatic ecosystems, nutrient loading problems in the Finger Lakes, and local economies. Event limited to 20 people—ages 13 and older—no infants or small children, please.

Hard Hat Tour of Performing Arts Center* Tour 1 Three Friday Tours planned.
Led by Project Manager Chris Button, the new Performing Arts Center is a powerful gesture to the Arts. The three-story building features a warm brick façade, timeless steep slate roofs, a sweeping tower and a full glass jewel box entry. Inside the venues for music, dance, theater and film screening will be incredible teaching spaces, each a spoke off the grand lobby with its monumental staircase. Event is limited to 20 people.

10 a.m. - 12 p.m.
HWS Fribolin Farm Tour* with Sarah Meyer, Community Outreach Coordinator and food systems program manager at the Finger Lakes Institute. Acquired in 2014, the 34-acre property includes a house, stall barn, riding arena, two ponds, and 18 acres of cropland, which has been utilized by a variety of curricular and co-curricular programs. Participants in this tour will learn about the recent use of the property, its unique historical connection to nurseryman William Smith, and its significance to the local and regional food system. Please wear appropriate layers and footwear for the current weather and walking.

Hanley Preserve Tour* - “A Walk on the Wild Side” Join Meghan Brown, associate professor of biology, and Hilary Mosher, coordinator, FL-PRISM Finger Lakes Institute, for a walk through the Colleges'
Henry W. Hanley nature preserve, a 108-acre biological field station with 40 ponds, old fields, swamps and marshes. **Tour is limited to 24 people.**

Friday, June 5, 1:30-4:30 p.m.
Saturday, June 6, 1:30-4:30 p.m.
A blend of masterful technique, transformation and love for the way things look is what you will find in the work of Mark Jones. Painstaking craftsmanship creates illusion which talent turns into reality. These are evocative and rewarding artworks well worth the exclamation “spectacular.” The pleasure we receive from looking at this work is a matter of ideas about our world as well as formal aesthetic delight. Jones was born in Saratoga Springs, New York in 1950. He received a bachelor’s degree from Hobart and a master of fine arts degree from Brooklyn College. He has studied at the Rijks Museum School in Amsterdam, the Art Students League in New York and the San Francisco Art Institute. He has taught at Hobart and William Smith for more than 20 years. His work has been widely exhibited in museums and commercial galleries throughout the United States, Europe and Asia.

Swim, fish or just enjoy the view. Our boathouse is home to our nationally renowned sailing team and the docks are open throughout the weekend.

Throughout The Weekend

“After being away for 50 years, I was looking forward to being back on campus, but our reunion weekend was better than I could have ever anticipated. The Colleges offered us a schedule chock-full of interesting events plus time to share with people we hadn’t seen in decades. My wife came along for the ride but ended up having a great time touring Geneva, seeing the campus and spending time with my colleagues.”
—Warren S. Williams ’64
