

Dear Alumni and Alumnae,

We are upgrading a number of our software platforms to make them more user- and mobile-friendly.

As a result, on January 31, 2020, the Colleges' Online Directory offered through iModules has been discontinued. While we recognize the value this service provided when first implemented more than 10 years ago, today's broad-based platforms including Facebook and LinkedIn provide easy access to information and a means for direct contact.

We understand that not everyone is active on social media and sometimes our HWS database records may contain additional information of interest to you. To ensure that you remain connected with your classmates, you can always reach out to Larry Knapp in the Office of Advancement for assistance. He's available weekdays from 8:30 a.m. to 5 p.m. EST at (315) 781-3739 or via email at [knapp@hws.edu](mailto:knapp@hws.edu). In addition, please feel free to email Larry to update your own personal information – address changes, new jobs, marriages, births, etc.

Thank you for your continued engagement with Hobart and William Smith.
