Policy for Meal Plan Accommodations

Scope & Purpose

Hobart and William Smith Colleges (HWS) is committed to the full participation of its students in all its programs, services, and facilities. With limited exceptions, all HWS students are required to be on a meal plan. However, HWS recognizes the importance of providing reasonable accommodations for students due to a student's disability related dietary needs. As such, HWS is committed to making reasonable modifications to its policies, practices, and procedures to permit students to fully enjoy the benefits of an HWS meal plan. This policy outlines the steps a student must take to request a meal plan accommodation(s).

Food Service Options and Nutrition on Campus

HWS is committed to providing its students with healthy options and providing nutritional information to help students make the best choices for everyone's needs. Sodexo, HWS's food services vendor, is committed to accommodating food allergies or other special dietary needs and is willing to meet one-on-one with any student to ensure that the student's dining experience is safe, delicious, and social. HWS provides the following readily accessible accommodations:

My Zone. My Zone is the HWS campus “pantry” where food items needed by students with Celiac disease or nut allergies are stored and prepared with precautions against cross-contact. This area is free of tree nuts, peanut and gluten-containing ingredients and products

Simple Servings. Simple Servings is HWS’s allergen-safe, dining option for students with food allergies or gluten intolerance. This station offers food free from peanuts, tree nuts, shellfish, wheat, soy, milk products, eggs, and gluten-containing ingredients. Simple Servings staff members are carefully trained to avoid cross-contact with food allergens.

Gluten-Free Options. The Simple Servings Station at Saga was designed to allow students with a gluten dietary restriction to dine comfortably in our Resident Dining Hall. This allows students to make safe choices while still having the freedom to dine in Saga. If you are unsure of the ingredients in an item available in Saga, a staff member can assist you.

Mindful Offerings. All Mindful offerings meet stringent nutritional criteria based on the Dietary Guidelines for Americans. Each Mindful item is limited in calories, has fewer than 30% of calories from fat, fewer than 10% of calories from saturated fat, and is restricted in sodium and cholesterol. HWS is also pleased to provide students with a wide selection of vegetarian and vegan meals.

Meal Plan Accommodations

If you do not believe your diet can be accommodated as outlined above, students may request a meal plan accommodation. HWS is willing to work with each student and can accommodate almost any individual student's need for a meal plan modification by working with the student and Sodexo. Thus, complete exemption from the mandatory meal plan is rare.
