

**HOBART AND WILLIAM SMITH COLLEGES
PETITION FOR CERTIFICATION, GOAL 7**

Name: _____ College: _____ ID Number: _____

Advisor: _____

Goal 7. A critical knowledge of the multiplicity of world cultures, as expressed for example, in their languages, histories, literatures, philosophies, religious and cultural traditions, social and economic structures, and modes of artistic expression.

Courses in history, literature, language, the arts and the social sciences that study and explore the multiplicity of world cultures address this goal, as does the experience of a different culture in an off-campus program. "Critical knowledge" refers to a broad understanding that allows students to understand the global complexity of the world and their place in it; this can include but is not limited to a critique of cultures. Students will generally address this goal through a combination of courses.

Student Narrative: How have you addressed this goal? Write a brief statement that specifies the course work or credit-bearing academic work you have done to support this goal and your understanding of how it addresses this goal. Other experiences may be part of this statement, but not its full justification. Submit two copies of the completed narrative to your advisor for discussion and possible approval.
