

HOBART AND WILLIAM SMITH COLLEGES
PETITION FOR CERTIFICATION, GOAL 8

Name: _____ College: _____ ID Number: _____

Advisor: _____

Goal 8. An intellectually grounded foundation for ethical judgment and action.

An intellectually grounded foundation for ethical judgment and action derives from a deep, historically informed examination of the beliefs and values deeply embedded in our views and experience. Courses that examine values, ethics, social action, social policy, social justice, and the responsibilities of citizens in contemporary society address this goal. Students will generally address this goal through a combination of courses.

Student Narrative: How have you addressed this goal? Write a brief statement that specifies the course work or credit-bearing academic work you have done to support this goal and your understanding of how it addresses this goal. Other experiences may be part of this statement, but not its full justification. Submit two copies of the completed narrative to your advisor for discussion and possible approval.
