

## 69 Restrictions

*No person shall be provided with genitalia unless:*

- 1) said person is able to applaud believably
- 2) said person is appreciative of sunlight in at least most cases
- 3) said person is continually founded in a series of obvious nondescript colors
- 4) said person is in possession of an alternative to tonguing
- 5) said person is willing to apply forever
- 6) said person has demonstrated a negligible concern for the notion of industrial tenacity
- 7) said person believes, at bottom, in one thing
- 8) said person can resist the ugly selfishness of intentional celibacy
- 9) said person has some experience with creating and/or maintaining the snug
- 10) said person is pleased by the idea of having a "bottom" and is willing to debate to preserve the idea
- 11) said person is made hungry by the foul echo, even as he or she understands it as predominately, and ultimately, inedible
- 12) said person is prone to at least one kind of destructive pouting
- 13) said person is fit, trim, and undecided
- 14) said person lacks genitalia
- 15) said person has "a lot" of personality
- 16) said person can guarantee that the provision of genitalia will disrupt, and ultimately disallow, the "success" of his or her career
- 17) said person is made antsy by the sale of safety-insuring devices
- 18) said person is able to sleep at least one hour (sixty consecutive minutes) per day
- 19) said person does not in any sense relish resembling his or her parents
- 20) said person is willing to see genitalia as a kind of modern extension of the alphabet

- 21) said person can gesture in the general direction of his or her doom
- 22) said person looks forward to seeing the genitalia of others
- 23) said person can remain calm in the onset of definitive permission
- 24) said person is capable of moving, humming, and thrusting as though determined
- 25) said person feels bound to be clean and to settle down amid clean others
- 26) said person can differentiate between male and female genitalia when it is important to do so
- 27) said person is not intimidated by the gentle sound of unmanned machinery poking the sleeping body of posterity for no reason
- 28) said person does not object to swelling, except when it interferes with speech or sleep
- 29) said person is able to remain awake for at least one hour (sixty consecutive minutes) per day
- 30) said person is able to stop what he or she is doing
- 31) said person is awed by the consistent discretion evident in the teeming heap of bygones
- 32) said person wants to live, if by "live" one means *resonate with difficulty*
- 33) said person is more hopeful when talk is not allowed
- 34) said person can describe his last meal
- 35) said person owns a vehicle made entirely of deceased family
- 36) said person is willing to swear allegiance to whatever is appropriate, even if this means abandoning his or her entire wardrobe
- 37) said person is capable of understanding climax as the simple disruption of property
- 38) said person is capable of demonstrating, without a word (as in charades), the very real difference between the womb and the farm

- 39) said person possesses a reasonably recent Baby Stain Removal Guide
- 40) said person agrees to forfeit the right to sue with regard to length, depth, or coloration
- 41) said person is able to sleep at the drop of a hat
- 42) said person is able to stand his or her own aptitude in the realm of procreation
- 43) said person knows at least one person (excluding family and sexual partners) by name, and is willing to report that person to the proper authorities (when it is possible to determine the proper authorities)
- 44) said person feels confident about determining the proper authorities
- 45) said person is not a freak, if we understand "freak" to mean any person under the sway of an eidolon that is insufficiently homogeneous
- 46) said person speaks in such a way as to conceal the several moistnesses he or she is loosely but momentarily tethered to
- 47) said person has penetrated his or her self by accident in the past
- 48) said person is vaguely fond of variety in what is perishable
- 49) said person is willing to submit his or her conception of animal hierarchy to constant violent doubt
- 50) said person is willing to insert a finger into an other
- 51) said person does not mind repetitive work
- 52) said person has always forded the various soft racks without being reduced to their seeming confluence
- 53) said person is not without critical holes
- 54) said person is of a mind to compose music for pornography
- 55) said person can enthusiastically deny having ever been anywhere
- 56) said person has penetrated his or her self on purpose in the past
- 57) said person loves to appear *available* in the deepest sense

- 58) said person feels bound to sing and bound to dwindle at the same time, which is to say, feels the future as just that part of the present that, in allowing itself to be carefully misunderstood, prolongs the fictitious flavor its real parasites will not survive on
- 59) said person stands in a certain way
- 60) said person is offended by the idea of reasonable foundations
- 61) said person has demonstrated an unusual grip on the usual, and is fond of reminiscing upon this demonstration
- 62) said person has a can-do attitude when it comes to creating the circumstances in which it is possible to drown
- 63) said person is conspicuously without blame with regard to the specific course taken by that which resists extinction almost successfully
- 64) said person feels his or her head looks "just right"
- 65) said person believes the word "person" signifies, above all, a mobile, vacant, and consistently endangered habitat
- 66) said person is melting
- 67) said person needs a place to stay
- 68) said person is a qualified but uncertifiable damage-sound coordinator
- 69) said person is willing to swear that he or she will adhere to all written restrictions, and to the spirit of hampered freedom in general

Note: Other restrictions may apply. All restrictions are subject to endless disintegration and/or increasing clarification.
