HOBART AND WILLIAM SMITH
COLLEGES

NOTES & QUESTIONS

DEFINITION OF A CLUB SPORT

A Club Sport is a recognized group of students voluntarily organized for the purpose of furthering their common interests in a particular sport through participation and competition with other college and/or university teams. Recognized Club Sports may use HWS facilities (including Bristol Field House and outdoor fields), motor pool vehicles and other HWS services. In turn, Club Sports are expected to observe and abide by the policies of this manual and the HWS Community Standards Handbook.

PURPOSE OF CLUB SPORTS

The purpose of the HWS Club Sports Program is to provide student initiated and managed sport opportunities to HWS students. Club Sports can provide the opportunity for students to develop sportpersonship through teamwork and discipline via athletic competition. They offer co-curricular learning experiences through leadership, communication, conflict resolution, public relations, organization, administration, fundraising and budgeting.

The contents of this manual are designed to ensure that each club operates safely, effectively and efficiently. Therefore, the following policies, procedures and guidelines articulate expectations of adequate supervision, safe transportation and balanced budgeting among other issues.

CLUB SPORT RECOGNITION / RENEWAL

To be officially recognized or renewed as a Hobart, William Smith or HWS Club Sport, the following requirements must be fulfilled before the first competition or practice:

1. Each club must draft a **Club Sport Constitution** to be approved by the CSAC and/or Assistant Director of Club Sports or his/her designee. A copy should be emailed to the club sports email account (clubsports@hws.edu). All captains should annually review and update the club's constitution, as needed.
 - A constitution is the framework of the club and expresses the fundamentals of the club's existence. It should include, among other items, a purpose statement, an indication of the number of officers, method for their selection, requirements for club memberships, fiscal agent and general operating procedures.
 - No club shall deny membership due to racial, national, ethnic, sexual orientation, ability/disability or any non-disqualifying requirement. Each club's constitution must contain a statement to this effect.
 - The president and/or captain of each club is responsible for notifying the Club Sport Manager in writing, when there are any changes to the club's constitution.

2. Club sports must keep a current and complete **Collegiate Link (CL) profile**. The CL profile serves as official registration with the Office of Student Activities. This must be done before your club can begin practice and/or using BAC funds.

Club Sport Registration information will include the following:

- The team's **Captain** according to the club's constitution.
- All Club Sports are encouraged but not required to have a **Coach**. This person must be a responsible adult who is experienced in the particular sport and will supervise club activities. The coach may also serve as the club advisor if he or she is a full-time HWS employee. The coach will be appointed by the club and approved by the Assistant Director of Club Sports. **Tier 1** club sports are required to have a coach. See page 15 regarding the Club Sport Tier System.
- Other executive board and general members such as a treasurer, secretary, and all team members.

3. It is the Captain's responsibility to ensure that the **Collegiate Link** profile is regularly updated with any team roster changes.

In order to practice and compete each member of a club sport must:

- Submit a signed **Waiver and Release of Liability Form (paper)**
4. Each club is required to submit an annual **Club Sport Budget through the BAC (Budget Allocation Committee)** and adhere to the policies specified in section '**BUDGETARY GUIDELINES**'.
5. Each club must keep a current **competition and practice schedule** on their CL profile.
- It is important to finalize scheduling as early as possible and to submit a request to **Brian Miller in the Hobart Athletics** office. Be sure to indicate all travel plans when registering your club sport.
 - Club Captains should schedule games and practices that do not interfere with class attendance.
6. Once the club sport is established, the club sport must renew full club registration annually.

CONDITIONS FOR CONTINUED RECOGNITION

It is both a privilege and a responsibility to represent Hobart and William Smith Colleges

through participation in a club sport. Therefore all club sports:

1. are recognized for 1 academic year. Continued approval for the existence of a club from year to year is not guaranteed. Once a constitution and all required forms are submitted, the constitution and all documentation must be updated annually.

2. Student Activities reserves the right to grant and revoke recognition status of any club sport based on the policies included in and implied by this Club Sports Manual. Probationary status may be prescribed to clubs not complying with the Club Sport Manual policies.

3. Clubs failing to comply with the standards and criteria established in the Club Sports Manual jeopardize their standing as a recognized club. Specifically, the following conduct standards are expected:

- Regular and clear communication with the Clubs Sports administration team .
- Behavior in accordance with the HWS Community Standards Handbook (“Handbook”).

5. Club sport members may be disciplined for inappropriate behavior while engaging in club sports related activity on or off campus. Please reference the HWS Handbook of Community Standards for general guidelines. Disciplinary action may result in revocation of club sport recognition and referral to the office of the Vice President for Student Affairs for judicial review.

6. Captains must ensure that each participant, prior to participating in the Club’s activities, has signed both a risk waiver form. **Only members that have completed this form are allowed to practice and compete in competitions.**

7. Captains must ensure that all accidents and injuries (particularly head injuries) are appropriately documented by completing the Club Sport Accident Report Form.

8. Club sport teams must produce **1 fundraiser** and **1 community service project** per year. The community service project must include at least %75 of team participation. Documentation must be provided to the Assistant Director of Club Sports or his/her designee for acceptance of these requirements. Collecting club dues is ***not*** considered a fundraiser.

Clubs not complying with the above-mentioned requirements may forfeit the use of facilities and/or budgeted funds. Furthermore, the club may be placed on probation.

1. Each club must annually submit and adhere to their approved BAC budget.
 - A current budget must be approved by the BAC and Assistant Director of Club Sports or/designee before any withdrawals or purchased will be approved.
 - The budget request should include ALL projected income and expenses for dues, equipment, rentals, officials, league fees, travel, tournament registrations, etc.

2. Sufficient funds must exist before any expense or purchase will be approved.
3. Forms submitted for the Assistant Director of Club Sports' signature must first be signed by the BAC treasurers. Such forms include requisition forms, cash advances, check requests or any other payments.
4. Club sports may charge dues to club members as a source of income.
5. All funds from any source - dues, ticket sales, fund raising events, etc. - must be deposited in the club's HWS account. Only after funds are deposited may they be withdrawn to make payments for club activities.
6. **Clubs may not open or maintain off-campus bank accounts.**
7. Clubs should submit an end of season summary including their competition record.
8. Any club posting a negative balance at the end of an academic year will be required to pay the deficit in full before spending accessing their BAC accounts. The balance may be deducted from the newly BAC allocated funds.

Club sports funding is distributed to individual clubs according to each club's demonstrated need. Each club's needs will be calculated based on both the budget

proposals created by each club and available funding from the club sports fund. Elements such as additional fundraising attempts and the collection of significant dues will be considered as positive signs of a club's level of commitment and will be taken into consideration in the assessment of a club's need.

Budget proposals may include, but are not limited to, the following expenditures (in priority order):

- League dues and membership fees
- Facilities Rental and Use Fees for Games/Competition
- Travel (Hotel, transportation, league fees)
- Officiating Costs
- Supplies (Medical, etc.)
- Equipment
- Club Uniforms
- Coaches (Tier One clubs)

Clubs are responsible for funding:

- Promotion and publicity
- Awards

Procedure for receiving funding as a club sport:

Recognized club sports must submit a budget to the BAC by the published deadlines each year.

- Proposed budgets not submitted on time may **not** be considered.
- Funds are awarded for the academic year (rather than by semester like other non-club sport organizations).
- Before funds can be allocated, all club sports must have completed and submitted all required registration forms:

Club accounts can be frozen at any time due to failure to comply with any Club Sport regulations or procedures.

Payments to Officials

Any money paid to officials through Hobart and William Smith Colleges is considered taxable and therefore HWS must receive a completed W-9 form from the individual in

question before payment can be made. Hobart and William Smith Colleges will not reimburse the club sport for their payment to an official, but will ONLY pay the official directly upon receipt of a W-9 form. W-9 forms are available from the Student Activities Office.

Coach and Officials Fees/Payments:

- Have the coach/official complete the W-9 form.
- Complete a check request with the W-9 attached.
- Return check request and W-9 to Student Activities for processing by Friday at 12noon. Forms must be submitted 2 weeks in advance to ensure a check is ready for your event.
- HWS will then mail a check to the coach/official or to you (as requested).

COMPETITION

As a club sport, teams may compete with other colleges, universities and community teams. Before a club may compete, they must meet all the necessary requirements stated herein. All of the required forms must be completed and approved through the Student Activities Office.

1. **Conference or League Affiliation.** Club sports are encouraged to pursue an affiliation with a conference or league.

2. **Officiating.** For all club contests, it is important that qualified and impartial officials be selected and agreed upon by all teams. Student officials are not recommended for officiating.

3. **Recruiting.** Clubs may actively recruit players and members from the HWS community. Campus resources such as bulletin boards, student publications, sandwich boards, chalking, Scandling TV displays or other campus advertising media are available to all registered clubs including club sports.

4. **Hosting Competition.** Hobart and William Smith Colleges may host club sport competitions. Competition dates should be submitted to the Assistant Director of Club Sports. Availability may be limited due to Varsity Athletics or intramural schedules. Club Sports Captains must have an Emergency Action Plan in place for hosting such events.

5. **HWS EMS** (emergency medical service) or other licensed EMS services must be scheduled for all **home competition events**. Requests can be completed on line via

the club sports page at least **one week prior** to home competition.

6. Head Injuries. Any student sustaining a head injury during club sports activities must, as soon as possible, report the injury to the HWS Hubbs Health Center. Even if the injury seems mild, players/members are still required to make the report. Often head injuries (bumps, concussions, etc.) do not manifest symptoms until much later. Early reporting will help the Hubbs staff assist the student more effectively if symptoms later surface. Additionally, the safety officer must complete an **Accident Report Form**, which can be found on the club sports page.

FACILITY RESERVATION & CANCELLATION

All official Club Sports are allowed to use HWS facilities. Facilities will be granted based on availability. The college has established a priority list for all groups that use facilities. It is as follows: 1) Academics; 2) Varsity Sports; 3) Intramural Sports 4) Club Sports. Facility space is also prioritized within clubs. For example, in-season clubs have priority over clubs that are out of season. Clubs that are competitive also have priority over non-competitive clubs. All requests for fields and gyms must be submitted to the Hobart Athletics Office. All requests for use of the Bristol Field House must be submitted to the Caird Center for Sports and Recreation, Bristol Field House.

An **Event/Space Request Form** is required to initiate all field and facilities requests. Forms should be completed at least **2 weeks** prior to practice or home competition events. Clubs using outdoor field space are not permitted to use fields during breaks/closings or during inclement weather. Captains are responsible for checking field conditions and status with the Hobart Athletics Office.

VISITING TEAMS

It is up to the HWS club sports teams to advise the Student Activities Office in writing that a team will be visiting. The club should include the name of the visiting college/university or group, the sport they are playing and a list of all visiting players. The written notice should be sent (e-mailed or mailed) to **clubsports@hws.edu**

TRAVEL

Teams that travel off campus for games/tournaments or any other type of competitive competition, must complete the online **Travel Request Form** 1 week prior to traveling. Once approval has been granted for travel, an email confirmation will be sent to the

team captain or designee. Teams traveling more than 50 miles one way from campus require the presence of an approved faculty or staff chaperone. It is up to the team captain or their designee to secure a faculty or staff chaperone. Students are not eligible to chaperone. It is suggested to seek out chaperones at least 3 weeks in advance to allow for schedule arrangements. It is the teams' responsibility to pay for all expenses of the chaperone.

At the completion of each trip all receipts must be turned in along with a completed reimbursement/request for payment form. These documents should be completed within one week of the trip. HWS may not provide reimbursement for travel that is more than one week old.

Private automobiles are the principal means of transportation for club sports members when going to and from events. HWS does not provide insurance coverage for privately owned vehicles or their drivers. All drivers must submit a copy of their valid driver's license prior to driving other team members for club sanctioned events.

HWS also maintains a fleet van service that can be used by registered club sports for travel. To request a van, please visit the Conferences and Events page from the HWS website.
